Printable GoatDangle! Scoresheet

GoatDangle! ScoreSheet

Each player starts the game with +5 points, so they have points available to wager during their Dangle for Double. Log points for the following: **GD One Flip:** Cross off one ! and add +10 for making center peg or +15 for either top pegs. **Party Pong:** +3 if made, -3 if missed. **Dangle for Double:** Double the wagered points if made (+2, +4, +6) or lose wagered amount if missed (-1, -2, -3). **Tri-Goat:** Every player gets +3 points if made, flipper only gets -3 if missed. Game is instantly over when one player has made five GD One-Flips. Tally all points, and highest overall score wins!

Hint: Use every box when writing scores. There's no need to put the numbers in separate rows for each turn, as only the total end score matters.
